

## **Rough Riders Meeting- October 6<sup>th</sup>2025**

### **Location: Bresina's Bar**

#### **Treasury Report: Read by Tristin**

- Tristin provided preliminary numbers for can feed. Estimated total profit of \$6,143.
- Number of meals sold appears to have decreased and number of meal tickets does not match income on meals.
- If you had paid your club dues in September, your membership should be active.

#### **Old Business**

- Reviewed minutes from last CVSO meeting
  - Some discussion of the addition of a 6<sup>th</sup> groomer
- Discussed land owner changes and potential needs to reroute trails.

#### **New Business**

- Open feedback from members regarding can feed. Feedback documented and saved for next year:
  - Need more 50/50 raffle tickets
  - Trash cans by food serving area
  - Suggestion that we change the way we obtain prizes- certain members are doing the majority of the work obtaining prizes. Some mention of cash raffles instead
  - Need to remove landowner only raffle from cards that are sent out.
  - Note we that we are only reaching/serving around 1/3 of our landowners
  - Suggestion that we offer to purchase gift cards from businesses with the suggestion they match or provide a prize
  - Beer sales are up, but need to cut back on food. Lots of leftovers (meat, butter)
    - Add hot dogs next year?
  - Cut back to 3 trays of each dessert next year
  - Rags/soap for dishes
  - Suggestion of raising price OR stopping the all you can eat portion of the meal
  - Bread trays are needed
  - Having 3 groups of paddle sellers was beneficial
  - Agreed to limit the number of big prizes going on one raffle- should not have multiple big prizes up at once to maximize profit, especially if we are purchasing items
- Landowner agreements- Kris is managing this. Want all agreements by early November
- Dick has calendar raffles for CVSO
- Map ads
  - Were due at CVSO meeting in October. Discussion of adding local bars.
- Discussed putting RR logo stickers on club trailer. Kurt to mock up.
- Low on RR stickers for bar mirrors
- Motion made and approved to add track to trailer to secure steam table.

- Motion made and accepted to offer a 10\$ gift card incentive to those who attend CVSO meetings on behalf of RR

**NEXT MEETING: MONDAY NOVEMBER 3**

**Location: Dougie's Bar**
